- Each month, fill out a raffle card and mail it to us by the 5th of the next month. For example, fill out the card for May, and then mail it by June 5. **Note:** we will do drawings on the tenth day of the month or the next business day after, for both website and print users.
- Each of the cards is numbered by month and should be filled out in the right order. The cards come with pre-stamped and addressed envelopes, so you don't need to do anything except seal them!
- There are 2 bonus raffle cards labeled with black numbers. Use these each time you make a new plan to increase your chances of winning!
- When we get your card, we will enter you in the raffle for that month. We will pick one new raffle winner each month!
- If you are the lucky winner, we will call you and ask you to choose your prize. Good luck!
